The Crusades were a series of religious wars sanctioned by the Latin Church in the medieval period. The most commonly known Crusades are the campaigns in the Eastern Mediterranean aimed at recovering the Holy Land from Muslim rule, but the term "Crusades" is also applied to other church-sanctioned campaigns. These were fought for a variety of reasons including the suppression of paganism and ...

There has been a lot written about the role of private security in international relations since the invasion of Iraq in 2003. Much of it is emotional outpouring that either demonises the private security industry or represents it as a silver bullet that can transform humanitarian interventions. [1] What such work invariably lacks is a critical assessment of the potential utility offered by ...

Description []. The Warhammer BattleMech was introduced by StarCorps Industries in 2515 to be "a mobile 'Mech with enough firepower to destroy or severely damage any 'Mech of the same weight class or lower." In the mission it was designed for, the Warhammer proved to be a very capable 'Mech, and for centuries practically defined the entire class of heavy 'Mechs.
