Language pedagogy [definition needed] may take place as a general school subject, in a specialized language school, or out of school with a rich selection of proprietary methods online and in books, CDs and DVDs. There are many methods of teaching languages. Some have fallen into relative obscurity and others are widely used; still others have a small following, but offer useful insights.

"This is, quite simply, the best book out there for teaching introductory TV courses. The text is well-conceived
and engaging, and Butler does a superb job of illustrating the formal and aesthetic structures of television in a
clear and readable manner."
