

### **monetary policy and the pdf**

Monetary policy is the process by which the monetary authority of a country, typically the central bank or currency board, controls either the cost of very short-term borrowing or the monetary base, often targeting an inflation rate or interest rate to ensure price stability and general trust in the currency.. Further goals of a monetary policy are usually to contribute to the stability of ...

### **Monetary policy - Wikipedia**

Monetary policy is the action a central bank or a government can take to influence how much money is in a country's economy and how much it costs to borrow.
