

**more creative interventions for pdf**

Art intervention is an interaction with a previously existing artwork, audience, venue/space or situation. It has the auspice of conceptual art and is commonly a form of performance art. It is associated with the Viennese Actionists, the Dada movement and Neo-Dadaists. Stuckists have made extensive use of it to affect perceptions of artworks they oppose and as a protest against existing ...

**Art intervention - Wikipedia**

Disease management is defined as "a system of coordinated healthcare interventions and communications for populations with conditions in which patient self-care efforts are significant.". For people who can access health care practitioners or peer support it is the process whereby persons with long-term conditions (and often family/friend/carer) share knowledge, responsibility and care plans ...
