

national parks and the pdf

Find unique places to stay. Take a break at some of the best campgrounds, cabins and luxurious homesteads in NSW national parks.

NSW National Parks and Wildlife Service | Home | NSW

The United States has 60 protected areas known as national parks that are operated by the National Park Service, an agency of the Department of the Interior. National parks must be established by an act of the United States Congress. A bill creating the first national park, Yellowstone, was signed into law by President Ulysses S. Grant in 1872, followed by Mackinac National Park in 1875 ...

List of national parks of the United States - Wikipedia

The national parks of England and Wales are areas of relatively undeveloped and scenic landscape that are designated under the National Parks and Access to the Countryside Act 1949. Despite their similar name, national parks in England and Wales are quite different from national parks in many other countries, which are usually owned and managed by the government as a protected community ...
