The Third Way is a position akin to centrism that tries to reconcile right-wing and left-wing politics by advocating a varying synthesis of some centre-right economic and some centre-left social policies. The Third Way was created as a re-evaluation of political policies within various centre-left progressive movements in response to doubt regarding the economic viability of the state and the ...

This part of the globalissues.org web site looks into some of the causes of poverty around the world. Issues covered include inequality; the relationship between the rich and poor; corruption; the roles of the IMF, World Bank, debt, the United Nations, United States, Britain and other wealthy countries

## **Poverty Around The World " Global Issues**

Debt is an efficient tool. It ensures access to other peoples' raw materials and infrastructure on the cheapest possible terms. Dozens of countries must compete for shrinking export markets and can export only a limited range of products because of Northern protectionism and their lack of cash to invest in diversification.
