

once and future wife pdf

A spouse is a significant other in a marriage, civil union, or common-law marriage. The term is gender neutral, whereas a male spouse is a husband and a female spouse is a wife. Although a spouse is a form of significant other, the latter term also includes non-marital partners who play a social role similar to that of a spouse, but do not have rights and duties reserved by law to a spouse.

Calling out a narcissist as a pathological liar is not as important as pin pointing the type of lying that he does that really cuts us to the core: future-faking. By this, I mean that the narcissist talks about or hints at a future together to get what he wants from us right now. Indeed, his innate ability to future-fake is probably the narcissist's most effective tactic for managing down our ...
