Spanish naming customs are historical traditions for naming children practised in Spain. According to these customs, a person's name consists of a given name (simple or composite) followed by two family names (). The first surname is usually the father's first surname, and the second the mother's first surname.

We've all known the above idiom, yet many men continue to embody it in reality, usually for the worse. We then have are cases of men wifing up sluts, whores, pornstars, predatory women, etc. with a deluded self rationalization that such trash is indeed treasure, and with often terrible outcomes, some of which are triggered later out of natural territorial instincts.
